

ECOLINE™

Glass Fibre Poles

**Cleaning at height...
safely from the ground.**

The **ECOLINE™** range of poles offer best value for money, whilst providing a professional pole for domestic and contract window cleaners alike.

ECOLINE™ poles are offered with economy in mind. Long established in the industry as an ergonomic, simple to use window cleaning tool, the poles have the same weight and stiffness characteristics as the **NTECH™** range.

All **ECOLINE™** poles have the following features and benefits:

- Poles are constructed of high quality composite material and finished with an acrylic resin for economy.
- Poles have a standard plastic base cap fitted.
- Poles have a nylon collar bonded onto the top section to connect to the brush.
- Poles are supplied with a standard angle crank, and an extension is available as an option to provide extra reach
- Poles are supplied with our own design **LITE-5®** yellow, highly visible, ultra flexible pole tubing, providing suppleness and flex even in colder conditions.
